Mark Brown made a motion to except and Wanda Jackson 2nd it. Bernie Ash and Mark Brown talked again about safty and wearing helmets while riding. This is a very big concern. Please every one be careful and check the towns ordinance on all the rules. I also would like to let everyone know that Piperville trail is finished and that it will be open June 12th . Our next monthly meeting will be June 29, 2010 at 7:00pm. At the Sheffield Town Hall. Please everyone try and tend. In order to have and get things done or change things we need to try and be present everyone. It is only one day a month and its at night. I do want to thank each and everyone that did show. Also if any one would like to purchase a T-Shirt or order one you can contact Bernie Ash for ordering information. Now on to knew news, we are going to have a 50/50 ride in July 10th . Everyone will meet at the trail head at 10:00am. I'm not sure yet if we're going to have a cook out. I'll try and keep you enformed in the mean time. This concludes our monthly meeting. Until next meeting have a safe ride and please everyone take your time and enjoy. Remember life is to short, drive safe and responsible.
