Some of the people who went to Island pond

It been a very busy year for trail work just when we think we have a handle on it. We find someone has taking down our sign or we had a very hard rain or a beaver has moved in on the trail. Which means someone has to go out every day and dig out the cover and pull the dam apart till we can find someone to trap him.

We went over to Zion hill to help our neighbor that lost most of their driveway in a few hard rains on Saturday we worked for 5hrs

Some of us went to West Fairlee. Boy did we have lot of fun!!! We went for a ride. Than we had lunch and than did the blessing of the ATV. It was lots of fun and I can't wait to do it again next year and I hope some more of you will come with us.
